AUTOMOTIVE

COMPONENTS AND SERVICES

Welcome to the December edition of the RDM Automotive newsletter with a message from MD David Keene.

RDM welcomes enquiries for design work, existing products or new product development. We can design, develop and manufacture electronic control units, wiring harnesses, electrical systems, plastic vacuum parts, mechanical systems and we are specialists in new emerging vehicle technologies such as EV and hydrogen power.

RDM would like to give a big thanks to all of our customers throughout 2008 and to wish them a Very Merry Christmas and a Happy New Year !!
